WHERE LEADERS ARE MADE

Message from the VPE

Posted 28th May 2018

Dear friends,

What a great year we have had and it is almost time to say thank you and goodbye to the current team and install the newly elected officers that are going to take us through the 2018-2019 Toastmasters Year.

Still plenty of fun to be had, we have our last 'ordinary' meeting on the 7th June before we all come together to celebrate our achievements at Cheryl Piper's High-Performance Leadership Project – THE CHANGEOVER MEETING. This is Cheryl's last assignment before she moves up in designation to the highest level THE DISTINGUISHED TOASTMASTER (DTM) award.

So, what can we look forward to?

7th June 2018: Theme – Quest for Quality

Our meetings are designed to cater for a range of learning styles and one of the things I really love about our Parramatta Toastmasters Club is that regardless of member's stage or length of membership, we all share and contribute our knowledge and experience in our quest for quality. Best of all, we always incorporate an element of fun in our learning. We do not all learn in the same way but the Toastmasters program is designed so that we all learn. Our founder Ralph C Smedley is famously quoted as saying "*we learn best in moments of enjoyment*" and we will definitely enjoy ourselves at tonight's meeting.

21st June 2018: CHANGEOVER MEETING - Theme – That's what friends are for!

The theme is pretty self explanatory but what is extra special about it is that the theme comes from the title to a famous song, made in collaboration with a number of artists for charity, to raise funds to help friends in need.

Check out the full outline for the night

Flyer has also been circulated and we need each member to PLEASE send in their rsvp (perfect meeting to bring guests) to Michael Said via email Michael.said@optusnet.com.au or text 0419 522 949

Kind regards,

Sean Leise – CC ALB
