Distinguished Club Banner Ribbons

The Distinguished Club ribbons have different meanings relating to the Club Achievement Plan (CAP) and its various successors the Distinguished Club Plan (DCP), Club Management Plan (CMP) and a Toastmasters International computer generated Distinguished Club Program (DCP) scoring system. The current DCP program was introduced in 1999.

Membership Ribbons

Our banner has many ribbons celebrating that we had over 30 or over 40 members in a particular year, being either Governors 30 Club or President's 40 club ribbons during years when such ribbons were awarded.

Ribbons have also been awarded for success in either Toastmasters or District membership campaigns including

- 1968 President's Membership Program
- 1971 Anniversary Month Top Club

- 1982 Get Into Action

Other Ribbons

Our banner also includes a number of ad hoc ribbons recognising things such as Club and District anniversaries, special District awards and visits by members to World Headquarters.

Founders Awards

Our banner includes 5 Founders Patches as well as 2 Founders Ribbons. Each of these signifies a new club that Parramatta Club has sponsored. The practice of clubs sponsoring new clubs and being honoured for doing so has now ceased.

The Club has actually sponsored 10 clubs in the old program, being Blacktown (1970); Hills District (1974); Orange (1978); Enthusiastic Epping (1983); Parrachievers (1986); Parratax (1988); Parramatta Breakfast (1995); Dubbo and Parkes Clubs (1996) and Dundas (2002).
