Fellow Toastmasters,

Can you believe it's almost Christmas? I started hearing that phrase about six weeks ago and thought it was ridiculous. Now it seems we have to get all our functions organised and programmed so that we can attend as many silly season get-togethers as possible! While you're doing that - don't forget about Toastmasters!

### **Our Future Meetings**

#### **Meeting 1113 - A Perfect 10**

There are two types of men in this World - those who were old enough to watch Bo Derek in "10", and those who weren't but watched anyway! And how many young girls were inspired by Nadia Comaneci's perfect 10s? Whether in a person, a moment, an idea or an endeavour, perfection is always something to take your breath away. What was your most perfect moment - will someone have one tonight?

#### **Meeting 1114 - The Final Say**

The International Speech Contest is another highlight of the Parramatta Toastmasters year - we will name our speaking champion for 2008/09! Club members will be attempting their very best performance in order to see how far they can take their speaking skills and perhaps earn the honour of representing the club in competition against other speakers from Area 13. The contest will be judged by all attending club members, so everyone should be there to add to the diversity and experience of the judging group.

### **Evaluation Guides**

If you decide to do a speech at the last minute, you can always make it count towards an award. I always have copies of all of the CC evaluation pages which you can use on the night and copy into your manual at a later stage. Additionally, if you need evaluation sheets for contests or want additional manuals, let me know.

### **Club Contests**

December and January include our International Speech and Evaluation contests. Hopefully you have given some thought to a speech for December - there are so many reasons to have a go! Whether you want to experience the pressure of contest speaking, see how far you can develop a speech, just have some fun or simply complete another manual speech, the International Speech contest is a fantastic opportunity. Let the VPE know if you wish to take part.

### **Participation**

Your participation at every meeting is encouraged so that you get the most out of Toastmasters. Even in a large club like Parramatta, our extensive agenda means that most members attending a meeting will have a programmed assignment. This means that if you are absent, someone will need to prepare to fill the gap. Sometimes absences are unavoidable - please call or SMS the VPE if you cannot attend: 0417 856 916, or email [VPE@parramattatm.org.au](mailto:VPE@parramattatm.org.au)

### **Online Assignment Guide**

If you need help with your assignment, speak to your mentor, they are there to help. Alternatively check out our assignment guide:
